BOARD OF DIRECTORS

Ismael **Cala**

Bruno **Torres**

Augusta **Silva**

As a result of the collection, the contribution given to the Omar Dengo Foundation served to ensure that a group of eighty-five **(85) young people were benefited with full scholarships** to receive the courses “IN-CLUY@”, (inclusive robotics courses and productivity tools), training opportunities offered by the Omar Dengo Foundation in Costa Rica, whose purpose is to promote the employability of young people with mild cognitive functional disability.

Young people were benefited **with Full Scholarships**

The Omar Dengo Foundation (FOD), is a non-profit organization, whose main objective is the development of people’s abilities, through innovative educational proposals, supported by the use of new technologies.

Costa Rica, June - 2015 - TECHO Foundation.

During his stay in Costa Rica, Ismael Cala and a group of volunteers from Cala Enterprises visited the communities “Cuenca Norte” and “Cuenca Sur” in Guararí de Heredia, one of the Fundación TECHO projects, where he was able to see the development of the program School Learning. (PAE)

#HaceloRealidad.

The contribution to the Techo Foundation was used to develop educational, social and emotional skills for the integral development of children in the settlements in extreme poverty in which TECHO intervenes. This in order to create opportunities that allow the population of these settlements to have tools to break the conditions of poverty.

50

Childrens were benefited **with education.**

TECHO

TECHO is an organization present in 19 countries in Latin America, which seeks to overcome the situation of poverty that millions of people live in settlements, through the joint action of its **inhabitants and young volunteers** who seek to strengthen community capacities that promote the exercise of citizenship mainly by improving habitat and habitability conditions and the promotion of economic and social development, involving the greatest amount of critical and proactive volunteering as well as the settlers of informal settlements to promote citizen participation and full exercise of rights.
